All made from 100% Post-Consumer recycled resin from PET bottles

This article/product has been assessed for SVHC compliance based on information provided by the customer. This certificate applies only to those articles as described in report STL/68851. The articles in question comply with the requirements of the current SVHC list issued on 17.01.2023, in that they do not contain SVHC at levels greater than 0.1%w/w. Any subsequent variation in the production of this article/product (this includes changes in raw materials, chemical usage or processing), invalidates this assessment/certification. This certificate is also invalidated as soon as the next version of the SVHC list comes into force.

**Report Number:** 68851

**Certificate Number:** REACH 24534

**Date of Issue:** 30 June 2023
